The committee discussed the Elwood branch library tour from July 15, 2025. From that tour we decided on two major action items. Formulate a questionnaire for the Monee residents that could be inserted into the Monee Fall paper. Committee members will formulate questions before the next meeting.

Secondly, the committee wanted to explore Smart Access lockers for the Monee area, which would be a small set of lockers as a trial for the Monee area. Margaret Horne is to speak with Monee Village Administrator to ask where a small locker could be installed that would be protected from the weather and have access to both electricity and internet. Sarah and Becky were scheduled to meet with SmartAccess and report back with the committee at the August meeting.

Next committee meeting scheduled for Tuesday, August 12, 2025 at 12:30 pm at Peotone Library.
